Hello – Please see the attached PP that was provided by HQ regarding Chemours. It gives a nice background on the company, but also discusses next steps, which include RCRA and Water.

Thanks.

Leif,

I'm attaching the Power Point Slides used in the briefing a few minutes ago with Susan Bodine and Larry Starfield. I'm copying staff in regions 2, 3, 4, and 5 since I have gotten questions from many people about this Chemours briefing. Susan asked for a Regional follow-up to this briefing. A date has not been set for that follow-up yet. If you have questions, please contact me about TSCA issues, Jeff Speir for Water issues and Leslie Oif/Andy Crossland with RCRA issues.

Thanks,  
Mark
